# Rooftops Chimney Pots and Seagulls

A MATT BIGGS FILM

## Synopsis

Shot over the course of a year in the historic port town of Bideford, a drama unfolds for a family of seagulls... culminating in their struggle to survive one of the harshest winters to hit Britain in over four decades.

## Artaura Productions

Artaura Productions began life in 2005 as a collective of Creatives with a passion for films and filmmaking, and a commitment to developing and producing high-quality short films and features. Our ethos is simple: to bring powerful and distinctive stories to the screen, to inspire, engage and entertain.
